The TCCC Emergency Shelter, formerly known as “*El Hogar de Ninos*”, is dedicated to providing the best care and services for each child. Established in 1996, the shelter is located in the southeast area of Houston. It is licensed by the State to provide emergency type residential care for up to 24 abused, neglected and homeless children, ages 4 through 17.

Children are referred by the Child Protective Services (CPS).

Children who are placed in the custody of CPS have been traumatized. Placement outside of the home should not add to that trauma. The Director and staff of the shelter work very closely with the CPS case-workers to provide a positive and nurturing environment.

The facility is coed which allows brothers and sisters to remain together until final disposition is determined by CPS.
